У доповіді розповідається про місця для найкращого казкового відпочинку в Європі. А саме, про 10 заманливих замкових готелів, які перевезуть вас до темних садів, кам'яних веж та віталень, де можна випити післяобіднього чаю, який є багатовіковою традицією.

Amberley Castle. This medieval castle hotel in South Downs is enclosed by a 60-foot stone wall and an iron portcullis that remains open.

Dromoland Castle. Rich fabrics, glittering chandeliers, and ornate wallpaper grace this luxurious five-star hotel, one of the most famous baronial castles in Ireland. You'll feel like royalty in the 16th-century.

Borgia Castle. A seven-bedroom medieval castle on the border of Tuscany and Umbria. It's a true Italian countryside experience.

Chateau de Bagnols. This honey-hued stone fortress is set atop a hill overlooking the Beaujolais vineyards and sprawling countryside just 30 minutes from Lyon.

Glenapp Castle. Castle draws you into a world of tranquility and understated five-star elegance. Its sandstone battlements with turrets and towers are surrounded by formal gardens and woodlands.

Pousada Mosteiro Crato. Climb up to your stone-walled suite in the tower. Waking up in the morning to almost no sound is one of the luxuries guests love here.

Castlehotel Schoenburg. A steep climb on a winding road takes you over a narrow wooden bridge and to the foot of the castle's cobbled pathways.

Ashford Castle. Curved stone ceilings, suits of armor and other details right down to the monogrammed bedsheets add to the magical ambiance.

Parador de Cardona. High on a promontory above the ancient, narrow streets of Cardona, the castle commands awe with its beautiful blend of Gothic and Catalan Romanesque styles.

Castel Porrona Relais & Spa. Steeped in history and meticulously restored, this castle hotel in a medieval stone village has only a handful of rooms, which makes it feel like you're visiting a private country home. Within a 40-minute drive are the seaside beaches of Castiglione della Pescaia and Follonica.
